

Green Line LRT: **Telus Construction on 4 Avenue**

Notice Date: March 9, 2023

Telus's project on 4 Avenue will transition into its next phase beginning March 15, with construction activity on 4 Avenue between 2 and 3 Street S.W. This phase has an expected duration of 4 weeks.

This phase will require the closure of the two northernmost lanes of 4 Avenue between 2 and 3 Street S.W., including lane tapering to the east and west of the construction area. Additionally, the intersection of 4 Avenue and 2 Street S.W. will be partially closed, with two-way travel maintained north of the intersection. During this phase, access to the Westin Hotel will be maintained. Pedestrian detours will be in place with the west and north crosswalks of the intersection closed.

Please see the map below for active Telus projects related to the Green Line Beltline Downtown Utility Relocation Project, including the ongoing construction on 3 Avenue and 2 Street S.W.

G Green Line LRT

What is the work?

Construction of new Telus duct bank along the northern lanes of 4 Avenue.

What can you expect?

- Temporary traffic lane closures along 4 Avenue S.W. between 2 and 3 Street S.W.
- Temporary removal of on-street parking within the active blocks.
- Access to adjacent properties, underground parking and loading will be maintained.
- Construction is expected to continue for this project until spring 2023.

About Green Line LRT

The Green Line is Calgary's next light rail transit (LRT) line. With \$4.9 billion in commitments from the Government of Canada, Government of Alberta and City of Calgary, it is the largest infrastructure investment in our city's history.

The current work in Beltline and Downtown is part of the utility relocation program required to make way for Phase 1 construction from Shepard to Eau Claire.

Accessibility is a priority for Green Line. If you have concerns with accessing information or navigating around construction, please contact greenline@calgary.ca
