

Notice of upcoming construction activity

July 2026

Construction Update

The City of Calgary is continuing work to improve accessibility, slow traffic, and increase safety along 19 Street N.W.. This work will be completed in two stages, wrapping up the 19 Street N.W. Improvements Project by **late summer 2026**.

Stage 1: Sidewalk widening

Starting **around July 18** for **approximately 5 weeks**, construction crews will begin work along the **west side of 19 Street N.W. between 3 Avenue N.W. and 5 Avenue N.W.** Construction work will include:

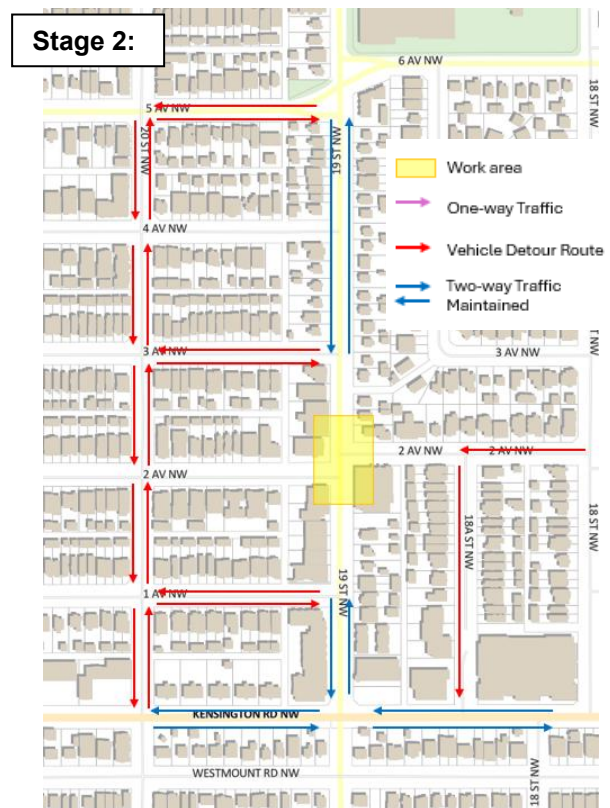

- Setting up traffic controls and safety fencing
- Removing landscaping, old concrete sidewalks and pavement
- Removing trees and some plants in conflict with the property line and adjusting streetlights
- Pouring new concrete for curbs, gutters and sidewalks
- Installing the on-street protected wheeling lane and curb extensions
- Removing and re-paving the road surface

Stage 2: New raised crosswalk

Following Stage 1, crews will complete final improvements at **the intersection of 19 Street N.W. and 2 Avenue N.W.**, for the new raised crosswalk

This work is planned to finish in **early September**, weather dependent.

Proposed construction and detour map

Notice of upcoming construction activity

July 2026

A friendly reminder for residents along 19 Street N.W.: Please move any plants or landscaping away from your property edge before construction starts. This will help protect them during the work.

We will maintain access to all businesses on 19 Street N.W. at all times throughout construction and thank you for your ongoing patience.

You can also expect occasional short closures along other parts of 19 Street N.W. while crews finish landscaping and plantings from earlier stages of work.

Once Stage 2 is complete, the 19 Street N.W. Improvements Project will be finished.

Construction Impacts

- Southbound traffic on 19 Street N.W. will be detoured onto 20 Street N.W..
- Northbound traffic will remain on 19 Street N.W..
- Construction areas will be fenced off for safety.
- For homes on the west side of 3 Avenue to 5 Avenue, front door access from the street will not be available during Stage 1. Alleys will remain open for residential access.
- Sidewalk closures and detours will be clearly marked.

Schedule

Work is scheduled to take place Monday to Saturday between 7:00 a.m. and 7:00 p.m., in accordance with The City of Calgary noise bylaw.

The work schedule may be affected by weather or other unforeseen circumstances.

Parking Impacts

Parking will be restricted along the west side of 19 Street N.W., between 3 Avenue N.W. and 5 Avenue N.W., and in specific locations in the detour zone during this phase to support traffic movement in these areas. You will not be able to park in front of your home during construction on your block. Residents who normally park on the street must park in the alley behind their homes or on adjacent streets.

These areas will have temporary no parking signs and may be subject to change and alterations.

Project Information or Questions

If you have any questions about this work or the project, please contact 311 or email us at rileyareaprojects@calgary.ca.
