

Bearspaw South Feeder Main Parkdale Blvd Repairs

August 26, 2026

The City of Calgary is accelerating the replacement of the Bearspaw South Feeder Main and making necessary repairs to the existing feeder main to strengthen the reliability of Calgary's water infrastructure. As part of this work, this fall repairs will be completed on a section of the feeder main along Parkdale Boulevard N.W. **Planning for this work is currently underway and we are committed to providing you with more information as it becomes available.**

While the feeder main is shut down for system connection work this fall, we will complete **six repairs on the existing feeder main between the Shaganappi Pump Station and the Memorial Pump Station, along Parkdale Boulevard N.W.**

Construction details

- Repairs will require 24/7 construction, beginning in mid-October for approx. 1 month.
- Six pipe segments will be excavated and segments will be cut out and replaced with new steel segments.

Where we are working (See map attached)

- 3118 Parkdale Blvd N.W.
- 2840 Parkdale Blvd N.W.
- 2642 Parkdale Blvd N.W.
- West of Lions Village
- 2507 Bowness Rd N.W.
- Broadview and 22 Street N.W.

Construction impacts

As a resident or business in the community, you should expect the following impacts:

- Crews will be working 24 hours a day, 7 days a week.
- Traffic detours and parking impacts on Parkdale Blvd N.W. and Memorial Drive N.W.
- Heavy equipment and other construction vehicles around construction sites.
- Driveway access may be impacted for some residents and businesses. City representatives will be reaching out to impacted property owners directly.
- River pathway closures and detours.
- Noise, dust and vibrations.
- There are no planned water, gas or electric outages, but temporary shutoffs may be required.
- Transit routes will be impacted, please visit calgarytransit.com for the most up-to-date information.
