

Bearspaw South Feeder Main Parkdale Blvd Repairs

October 28, 2026

The City of Calgary is accelerating the replacement of the Bearspaw South Feeder Main and making necessary repairs to the existing feeder main to strengthen the reliability of Calgary's water infrastructure. As part of this work, this fall repairs will be completed on sections of the feeder main along Parkdale Boulevard N.W. **Pre-work is expected to begin on Oct. 29, 2026, and excavation is expected to begin on Nov. 4, 2026.**

While the feeder main is shut down for system connection work this fall, we will complete **six repairs on the existing feeder main along Parkdale Blvd N.W., between the Shaganappi Pump Station and the Memorial Pump Station.**
