Use - Complete Application Requirement List (CARL)

Agriculture and Animal

The following **Use-Related Complete Application Requirement List** is only applicable when it is listed on a **Development Permit Complete Application Requirement List**. This information is necessary to evaluate and provide a timely decision on your application. Please ensure all **Required Items** are provided on all sets of required plans.

Only applications that are complete will be accepted. Applications and materials submitted must be clear, legible and precise. We are currently unable to accept digital applications. Thank you for your co-operation.

NOTE: Building and Development Permit applications must be submitted without personal information on any plans. Omitting this information will protect builders and tenants by reducing the risk of any personal information being wrongfully displayed, while also following the Province of Alberta’s FOIP Act. Please note that failure to follow this requirement may result in an incomplete application. Read the [July 2015 Dispatch](#) newsletter to find out more on what should not be included on submitted plans.

The Development Authority may require additional material considered necessary to properly evaluate the proposed development (as stated in Part 2 section 26(3) of the Land Use Bylaw 1P2007). All terms of reference are based on the defined terms in the Land Use Bylaw 1P2007.
