

UTILITY WORK IN YOUR COMMUNITY

AUGUST-SEPTEMBER 2020

Ref # 21154163

WHAT'S HAPPENING?

The City of Calgary requires ENMAX Power Corporation to relocate existing electrical infrastructure as part of the Montgomery Main Street Project. Modifications will include burying overhead power lines and installing associated utility equipment. This relocation ensures the alignment will be ready when City of Calgary crews start construction in this area, in the spring of 2021. Robert B. Somerville will be completing this work on behalf of ENMAX Power.

WHERE?

Work will take place within the City of Calgary road right-of-way along Bowness Road NW and 52 Street NW.

WHEN?

Construction is anticipated to begin the week of **August 10, 2020** and will continue until the end of September 2020. Crews will be working Monday to Friday, from 7:00 a.m. until 5:00 p.m. Weekend work may be required.

WHAT CAN I EXPECT DURING CONSTRUCTION?

VISUAL

Please expect the following equipment on-site:

- ENMAX and contractor vehicles (Somerville), bucket trucks and associated utility equipment
- Construction barricades; safety fencing
- Road signage

Restoration of ground conditions will take place following this work, which will include seed and loam and/or asphalt (if applicable).

NOISE

There may be an increase in noise and/or minor vibrations during construction activities. Please be advised we comply with the City of Calgary's Community Standards Noise Bylaw. In the event we are required to temporarily exceed these levels, necessary permits are obtained from the City.

TRAFFIC ACCOMODATIONS

Please expect the following:

- Temporary walkway and bike path closure along Bow River Pathway: approximately 4 days
- Temporary single lane closure along Bowness Road NW: approximately 10 days
 - Two-way traffic reduced to one lane with flaggers
 - Please follow on-site signage

Access to all commercial and residential buildings will be maintained throughout construction.
