

## Bridgeland Main Street Project Construction Notice

December 9, 2025

Dear Resident/Property owner,

We want to inform you about upcoming work in your area. As part of the ongoing Bridgeland Main Street Improvements, crews will be completing deficiency work along northbound Edmonton Trail and Memorial Drive. Deficiency work is a normal part of large construction projects and involves fixing small items that need adjustment after the main work is complete. These repairs help ensure that infrastructure functions safely and efficiently for years to come. Please see the attached graphic for details.

### WHAT TO EXPECT

#### December 15-16, 2025:

- **Where:** North of 1 Avenue N.E. (west side of Edmonton Trail N.E.)
- **Scope of work:** Crews will inspect and repair multiple streetlights.
- **Work hours:** 9:00 A.M. to 3:00 P.M.
- **Access:** The sidewalk and the northbound and southbound bike lanes will be closed during construction.
- **Detour plan:** Pedestrian and cyclist access may be limited. Detours and signage will be in place to help users navigate safely. Access to businesses will be maintained.

#### December 17-19, 2025:

- **Where:** Memorial Drive N.E. (between Edmonton Trail and 4 Street N.E.)
- **Scope of work:** Crews will inspect and repair multiple streetlights.
- **Work hours:** 7:00 A.M. to 5:00 P.M.
- **Access:** The Memorial Drive entrance into the shopping and restaurant area will be closed for three days. Additionally, there will be impacts to some parking stalls and the sidewalk areas.
- **Detour plan:** Entrances from Edmonton Trail and 4 Street N.E. (near the Centex gas station and the alleyway) will remain open. Vehicles and pedestrians will still be able to access the area using these alternate routes. Access to all businesses will be maintained.
