

Bridgeland Main Street Project Temporary Road Closure - Construction Notice

September 5, 2025

Bridgeland Main Street: Construction Update

Dear Resident/Property owner,

We want to inform you of a **temporary road closure** happening soon in your area. As part of the ongoing Main Street project in Bridgeland, **7 Street N.E. between 1 Avenue N.E. and Centre Avenue N.E. will be closed from September 12 to September 14, 2025.**

This closure is needed so our crews can safely install storm drainage line infrastructure. These upgrades are important to ensure that the new, upgraded sidewalks and roadway can efficiently help to drain stormwater and snowmelt.

Please refer to the map on the second page of this notice for more details.

WHAT TO EXPECT

- **Vehicle access:** The westbound lane will remain open to traffic. Eastbound and southbound lanes will be closed during construction. 7 Street N.E. between 1 Avenue and Centre Avenue N.E. will only be accessible for “local traffic”. If you're driving, please follow detour signage in the area.
- **Pedestrian access:** Pedestrian access will be maintained through detours to help pedestrians safely navigate through the area.
- **Business access:** Business access will be maintained during construction.
