

## Phase Two: Bridgeland Main Street Project Construction Notice

July 30, 2024

### Bridgeland Main Street: Phase Two Construction Update

This construction season, as part of the Bridgeland Main Street Project, The City is completing sidewalk and streetscape improvements along 1 Avenue N.E. from 11 Street to 7A Street N.E. Crews are finishing construction on the south side of 1 Avenue between 8A Street to 9A Street N.E. and we are targeting completion by the end of July 2024.

#### Upcoming work

- During the week of August 5, the third stage of construction will begin on the south side of 1 Avenue N.E. between 7A to 8A Street N.E. (two street blocks), and we anticipate this work to take approximately eight (8) weeks. The included maps show the work areas and detour plans for 1 Avenue N.E.
- During the week of August 5, construction may potentially also begin on an additional two street blocks at the north side of 1 Avenue N.E. between 6 to 7 Streets N.E. (for a total of four street blocks along 1 Avenue N.E. during this stage), and we anticipate this work to take approximately eight (8) weeks. Please refer to [Calgary.ca/bridgelandmainstreet](http://Calgary.ca/bridgelandmainstreet) to find ongoing updates.
- Minor sidewalk reconstruction along 2 Avenue at intersections between 6 Street to 10 Street N.E. **will continue concurrently** and last throughout the year which is expected to have minimal effect to traffic access through the community.
- Please note, construction is variable, and the schedule is subject to change depending on factors such as complexity, weather, supply chain, and access. We appreciate your patience while crews are working in your area.

#### **WHAT YOU CAN EXPECT DURING CONSTRUCTION:**
