

## **Marda Loop Main Streets**

### **Upcoming Utilities Work & 33 Ave. S.W. Detour**

Unrelated to the Marda Loop Main Streets project, The City of Calgary will be doing essential work on a sanitary line in Marda Loop over the September long weekend. This is critical maintenance to protect the wastewater capacity of the community.

**The work will be done on 33 Avenue S.W. between 22 and 21 Streets S.W. and will require the full closure of westbound 33 Avenue.** There will be a detour in place taking vehicles and bicycles north along 21 Street, west on 32 Avenue, and south again on 22 Street. There will be a safe space for pedestrians to walk along 33 Avenue and localized, temporary "no parking" restrictions will be in place.

**This detour will be in place from Saturday, September 2 to Monday, September 4 (pending weather).**

---

This Friday, September 1 is the Marda Loop Night Market. To support this event, there will be an additional detour put in place tomorrow at noon which will be removed after the Market is closed. **34 Avenue will be closed to vehicle traffic between 18 and 19 Streets S.W.** There will also be temporary, localized "No parking" signage in place. Pedestrians will have a safe route to get to and from the event. Please be aware of detour and directional signage onsite and be patient when travelling in the area.

**For our full, anticipated construction schedule, please visit our website.**

You can always reach the project team at [MardaLoopMainStreets@Calgary.ca](mailto:MardaLoopMainStreets@Calgary.ca).

We want to thank the Marda Loop community for its continued support and patience during the engagement and planning processes.
