

Marda Loop Main Streets ATCO & ENMAX Work in 2024

Beginning in mid-January, ENMAX will be working on the north side of 34 Avenue S.W. from just west of the 20 Street intersection to just east of it. To accommodate this work, vehicle and pedestrian detours will be in place. **Northbound vehicle traffic will be restricted at 20 Street, north of 34 Avenue S.W.** Access to businesses will be maintained. ENMAX will connect directly with residents and business owners to share additional information.

For more information about ENMAX's work, [please visit their website](#).

In February, ATCO will begin work at 33 Avenue from 22 to 20 Streets S.W. Similar to the above ENMAX work, vehicle and pedestrian detours will be in place. **Northbound vehicle traffic will be restricted at 20 Street, north of 33 Avenue S.W.** Access to businesses will be maintained. ATCO will connect directly with residents and business owners to share additional information.
