Sustainability Standards

To ensure our park and facility are used in an eco-friendly manner, we require our vendors, partners, and clients to abide to the following sustainability standards:

- Reduce single-use items in accordance with the [Single Use Items Bylaw](#).
- Please use reusable, recyclable, or compostable containers.
- The use of boxed lunches is discouraged due to additional waste.
- Compost, recycling, and garbage bins will be provided.
- Consider products that are gentle on the environment, sold by fair trade companies, and made from compostable and/or recyclable materials.
- Before throwing items away, consider if they can be re-used for other purposes or donated to a community group or non-profit organization.

Food Service

- Food and beverage service must comply with the requirements of the [Alberta Food Regulation](#).

Liquor Service

- All liquor service at Inglewood Bird Sanctuary requires pre-approval from the City of Calgary, a liquor license and special event insurance.
- Liquor service is only permitted for bookings within the Nature Centre.
- Liquor service is restricted to between 11 a.m. and midnight.
- A copy of the liquor license is to be posted on site.

Deliveries

- All deliveries must check in at the front reception desk.
- Caterer is responsible for food delivery, set-up/unpacking, pick-up, and clean-up.
- All items (food and rentals) must be dropped off and picked up within the booking time.
- Vehicles cannot idle during deliveries.
