Guest Record

The following criteria is required to be recorded by the operator:

- Full name and email address of the guest who provided payment for the booking
- Associated guests, such as family members, do not need to provide their names/emails but must be recorded under the number of guests for the booking.

Example: Cooper Lywis books a short term rental for his family. His family members are not required to provide their names/emails but must be identified as a part of his booking. Below is an example of the guest record for Cooper's stay.
