

Neighbourhood Speed Limit Implementation

Ward 9

Final Map for Implementation - Updated February 22, 2021
40 km/h Standard Speed Limit, Collectors Posted 50 km/h Where Appropriate

Final plan for implementation to support bylaw effective date of May 31, 2021.

Roads shown in grey will not be changed as a result of this work.

All playground zones and existing reduced speed zones will remain unchanged.

Higher classification roadways in the downtown area as well as industrial areas are outside of the scope of the work and will remain the same speed limit but merit future review.

Review of these speed limits will be possible after implementation based on the framework being developed for review by council no later than Q3, 2021.

- Industrial Area
- 50 km/h
- 40 km/h
- Roadways Not Included in Review (Speed Limits to Remain the Same)
