

Paving the way for a better 17th Ave. S.W.

We're investing in 17th Ave. S.W., between Macleod Trail and 14 Street S.W., so it can continue to serve businesses, citizens, and Calgary for decades to come:

- Rebuilding the road, including a new road design that's safer and more predictable
- Improving crosswalks and intersections for those on foot
- Upgrading water and sanitary utilities for current and future development
- Improving sidewalks- new sidewalks and repairs, lighting and sitting areas
- Upgrading telecommunications, power and gas utilities
