

# Calgary Bee Bingo

## 2021 Virtual Mayor's Environment Expo

Now that you've learned a little more about bees, challenge yourself to BEE a Polli-neighbour! Cross off *each activity square as you complete them. Try to get a full line in any direction. For an extra challenge complete the full card.*

B	I	N	G	O
Write down 1 thing you can do to help bees at home	Submit a photo to the Bumble Bee Watch App	Plant a garden or a plant	Learn the difference between a bee and Wasp	Make a list of how bees help us
Teach someone about pollinators using a fun demonstration	Visit a Community Orchard or Garden	Paint a rock like a bee of your choice	Take a photo of a bee pollinating	Plant native flowers (remember bees like blue & yellow a lot)
Visit the Canyon Meadows Bee Blvd	Learn to identify 2 flowers that attract bees	FREE	Learn about the Butterflyway Project	Build your own bee hotel or butterfly bath
Celebrate Pollinator Week June 21-27	Write down 1 thing you can do to help bees at your school	Make a pollinator water station	Take a friend why they should be a polli-neighbour	Try Inaturalist or Seek by Inaturalist to ID new species
Submit a flower bees would love to Inaturalist App	Observe a busy bee for 5 min	Go on a nature walk & count how many pollinators you see	Sketch a picture of a bee	Find 2 natural things outside to smell
