

# Calgary Bee Bingo

## 2022 Mayor's Environment Expo

Now that you've learned a little more about bees, challenge yourself to BEE a Polli-neighbour! Cross off each activity square as you complete them. Try to get a full line in any direction. For an extra challenge, complete the full card.

Native Wildflowers

Calgary - A Bee City

B	I	N	G	O
Write down 1 thing you can do to help bees at home	Submit a photo to the <i>Bumble Bee Watch App</i>	Plant a garden or a plant at home	Learn the difference between a bee and a wasp	Make a list of how bees help us
Teach someone about pollinators using a fun demonstration	Visit a community orchard or garden	Paint a rock like a bee of your choice	Take a photo of a bee pollinating	Plant native flowers (remember bees like blue & yellow a lot)
Visit the <i>Canyon Meadows Bee Boulevard</i>	Learn to identify two flowers that attract bees	<b>FREE SPACE</b>	Learn about the <i>Butterflyway Project</i>	Build your own bee hotel or butterfly bath
Celebrate <i>Pollinator Week</i> June 20-26	Write down one thing you can do to help bees at your school	Make a pollinator water station	Talk to a friend about why they should be a polli-neighbour	Try <i>iNaturalist</i> or <i>Seek by iNaturalist</i> to ID new species
Submit a flower bees would love to the <i>iNaturalist App</i>	Observe a busy bee for 5 minutes	Go on a nature walk and count how many pollinators you see	Sketch a picture of a bee	Find two natural things outside that you can smell
