

Industry Bulletin  
June 2020

**2020 STANDARD SPECIFICATIONS FOR WATER AND SEWER**  
**UNDERGROUND CONSTRUCTION**

Water Resources is pleased to announce the release of 2020 Water and Sewer Construction Standard Specifications. Both documents are available online at:

<https://www.calgary.ca/PDA/pd/Pages/Planning-and-development-resource-library/Publications.aspx>

or

<https://www.calgary.ca/UEP/Water/Pages/Specifications/Submission-for-approval-/Development-Approvals-Submissions.aspx>

Due to the ongoing COVID-19 crisis, there have been issues supplying the new artistic manhole cover designs specified in the 2020 Specifications. In the interim, we will continue to accept old cover castings until Dec. 31, 2020.

Questions or clarification pertaining to the above-noted Specifications can be addressed to Dan Nelson at [dan.nelson@calgary.ca](mailto:dan.nelson@calgary.ca) or May Cayanan at [may.cayanan@calgary.ca](mailto:may.cayanan@calgary.ca).
