

# Fish Creek West Sanitary Upgrade

Construction vehicles in Woodbine Community

July 18, 2023

## Increase in construction vehicle traffic

Work continues on the significant upgrade to the underground sanitary system in the area and residents may see more construction vehicles travelling through the Woodbine community in the coming months. Most of the construction traffic is using Anderson Road and 24 Street S.W. however, for safety reasons, the contractor does not have access in some areas, and vehicles will need to use residential streets in Woodbine until October 2023.

## Construction impacts

- Woodbrook Way S.W. nearest to the construction site will be closed starting August 1, 2023, for approximately three weeks.
- Residents will notice heavy truck traffic and noise in the area (please refer to the map on page 2).
- Construction days and hours for this project are Monday to Saturday from 7:30 a.m. to 7:30 p.m.
- The contractor will take steps to limit the amount of dust in the work area, and travel within the speed limit.

## Construction routes and timelines (see map below)

Orange route: June 5 to October 1, 2023

Red route: June 19 to October 1, 2023

Green route: August 1 to October 31, 2023.

Pink route: August 4 to October 31, 2023.
