

In the coming months numerous projects will begin in the Riley Area. These projects deliver a vision for the area that combines flood mitigation with vibrant public spaces and essential upgrades to community infrastructure.

The City is working closely with the community to keep residents and business owners informed and prepared for anticipated construction work.

**Learn about our upcoming events below.**

### Virtual information session

Tune in to our virtual event to see what changes are coming, where impacts will occur and what we are doing to help businesses and residents prepare.

- Date: Tuesday, April 16
- Time: noon – 1 p.m.
- Register: [Calgary.ca/RileyConstruction](http://Calgary.ca/RileyConstruction)
- A recording will be available on our webpage following the event.

### Construction ready cleanup

With upcoming impacts to on-street parking availability, The City is hosting a construction ready cleanup for the Riley Area to help clear extra space in your garage or laneway parking space to park your vehicles.

The construction ready cleanup will provide an opportunity for residents to dispose of items that do not fit in their waste and recycling carts.

- Date: Saturday, April 20
- Time: 9 a.m. – 1 p.m.
- Location: St. John Reception Centre parking lot (15 12 St N.W.)

### Accepted items:

- Electronics
- Clothing donations
- Metal and wood materials
- Furniture
- General household waste

### Items not accepted:

- Household hazardous waste (propane, paint)
- Automobile/cleaning/healthcare/ gardening chemicals
- Vehicle batteries, tires or parts
- Glass (windowpanes, table tops)
- Sod or dirt

### Where is construction occurring?
