

# City of Calgary commercial bin dimensions

Below are the different types of City dumpsters. Bins are available for garbage, recycling and composting service.

*Please note that bins pictured may vary slightly. Accessories such as lids and wheels are an additional charge.*

| Bin type                                                                                                                                  | Dimensions (approximate size)                                                                                                                                                   |
|-------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p data-bbox="142 722 304 755"><b>2 Yard Bins</b></p>  | <p data-bbox="1606 722 1774 755">Width – 6’8”</p> <p data-bbox="1606 787 1795 820">Length – 2’10”</p> <p data-bbox="1606 852 1858 917">Height – 3’9”<br/>With wheels – 4’5”</p> |
