Verbatim Comments

The comments below are as they were submitted by participants attending the events and at the online portal pages. No edits have been made but personal information or offensive language is removed with an indication that this has happened.

Route-specific comments are divided by route and into three categories for each route, answering the three engagement questions:

1. What do you like about the proposed route? (positive feedback)
2. What would you change or think could be improved about the proposed route? (negative feedback)
3. Is there anything else you think we should know? (general feedback)

General, non-route-specific comments and Evaluation comments follow the route-specific verbatims.

Route 125

What would you change or think could be improved about the proposed route?

- Don't cancel the 125. This is a vital resource to me and so wonderful. I will stop using Calgary Transit if this route is actually deleted.
- Extremely unhappy that the 125 has been deleted
- I'm extremely disappointed the route 125 has been deleted. It is an express route form me both to and from downtown for work. I will now have to transfer both going to work and home.
- Please do not take away the 125!!!!

Route 126

What would you change or think could be improved about the proposed route?

- I take the 126 bus to work everyday I like convenient of this I get to spend a little time kids before I leave for which I like. I would appreciate having this bus for work.
- Please do not delete the 126 service. It should be made into a regular all day service. I absolutely hate having to get 2 buses each way every day. A direct service is so much better and enjoyable especially in the winter months!
- The concern is eliminating bus route 126 - this is an express bus that runs ONLY 1 service for morning and afternoon. Please do not delete this service, this is one bus that works for a lot of people who wants direct transportation to downtown.
- Why are they deleting bus 126? there's lots of us working downtown, please dont take it out.
